## Director's Notes

### Confirmation Letters

Confirmation letters for next year's enrollment will be sent to families on May 15<sup>th</sup> by USPS mail. If your child has been accepted, you will also receive a bill for September 2019, which is due June 1. Be sure to get this payment in as it is what secures your child's slot for the 2019-2020 school year. If you have any question please call Ellen at 617-969-3130. Thank you for your patience.

### Last Day of School

The last day of school this year is Tuesday June 18th.

**BASCP will be open from 12:00pm-3:00pm.**

### BASCP's 7th Annual Children vs. Adults Basketball Game and Ice Cream Social

Calling all Adults!!!! Dust off your basketball sneakers and begin practicing your ball skills because we need you on Thursday, June 6th at 5:00pm to take on the children in a game of basketball. The game will be followed by a delicious ice cream social.

### Donations of Water and Snacks Needed for Spring Fling

Once again BASCP is looking for donations of water and snacks to sell at the Spring Fling on Sunday, May 19. All proceeds from the sale will go to the Cliff Cohen Tuition Assistance Program. This program financially helps families whose children might not otherwise be able to attend BASCP. Please drop off all donations in the BASCP office by Wednesday, May 15.

### Spring Fling Help Needed

Do you have a half an hour to spare? We are in need of volunteers to help sell waters and snacks at the Spring Fling the benefit the Cliff Cohen Tuition Assistance Program. We will have volunteer sign ups by the Sign Out Book.

## K Extended Day

Kindergarten Extended Day is hitting the road for our May theme of Road Trip U.S.A.! We will be celebrating the many different features of the many different areas of this country--from creating New York City Skyscrapers to exploring the alien lore of New Mexico! We are also excited to announce this year's Kindergarten Extended Day graduation dates: Group B graduation will be Wednesday, June 12th at 2:00 pm. Group A graduation will be Thursday, June 13th at 2:00 pm. Graduation ceremonies will take place in our BASCP freeplay room in the basement. Families are invited to attend, but we understand that it is not always possible--we always work hard to take pictures of all students so we can share them with families who are unable to join us! As always, feel free to reach out to me with any questions or concerns!

## K-1 Stars

Our bags are packed, we're ready to go--on a Road Trip across the U.S.A.! The K-1 Stars will be starting in the Northeast with activities like Northeast Sports Memorabilia with Bryan; we'll be moving on to the Northwest with activities like Famous Landmarks with Brandon. From there, we'll be in the Southwest to learn about artists like Georgia O'Keefe for Robin's Southwestern artists activity. Finally, we'll be in the Southeast making alligator/crocodile puppets with Fran! We cannot wait to "travel" with all our wonderful K-1 students!

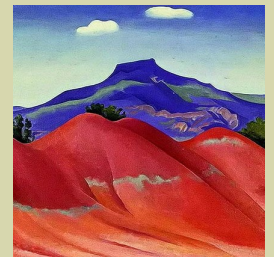

## 2-3 Comets

Come cruise with the Comets and Satellites as we truck along with May's theme of "Road Trip USA!" We will be starting off our trip in New England and making our way through the Northeast, then to the Northwest, down to the Southwest, across to the Southeast and finally Bangin' a U-ey back to B-ahston! We'll also be hitting up our friends in Alaska and the Hawaiian Islands. Some of the activities include Making New England Lighthouses, building monuments, playing horse shoes, Name that Musical Region, Alaskan Totem Poles, and USA trivia! We'll also be transforming the room to capture our exciting travels across the states. Weekly themed quizzes will highlight the regions of the USA. Check the enrichment binder for new opportunities and trips!

## 4-5 Ozone

In April, your children did a great job working on their goals to be more active, drink more water, and eat more vegetables. We'll continue to encourage this healthy behavior and add another challenge: keep the Earth healthy. Ozone students have already begun to find ways to reduce BASCP's use of plastic.

Now that it's May, what are we going to do? Road Trip! The Ozone will be taking a figurative Road Trip Across the USA. Monica will introduce students to historic artists from all over the country as she challenges them to use different styles and techniques to create their own art. Additionally, Helena and Andrew will have your students building, playing, and creating based on places including the UN, Hollywood, Hawaii, the Mississippi River, and Salem, Massachusetts. You can guess what these activities will be or check out the activity calendar posted in the Ozone.

# Enrichment & Billing

May 2019

## Enrichment:

Thank you to all our families who participated in our 24th annual Heart Heroes fund raiser which raised money for the American Heart Association. Your efforts make BASCP a valued contributor to the American Heart Association's many contributions to the fight against heart disease.

Please keep an eye out for the following events and sign ups.
