K Extended Day

Greetings K Extended Day families! June is sure to be a busy and exciting month, with our Happy Camper theme! For the month of June, kindergarteners will be busy making preparations for our K Graduation ceremonies: Group B Graduation will take place on June 12th at 2pm. Group A Graduation will take place on June 13th at 2 pm. In addition, kindergarteners will be exploring nature and the outdoors with planting, outdoor games, and much more! As the weather gets warmer, please be sure to send your child to BASCP with a water bottle and we will help encourage all students to stay hydrated! As always, feel free to e-mail me (christieb@basecp.org) or call the office (617-969-3130) with any questions!

K-1 Stars

Happy Spring, K-1 families! For our June theme of "Happy Camper", we will be engaging students with activities that are inspired by summer camp, camping, and the outdoors! From Solar Prints to Water Balloon Baseball, Playground Clean-Up to Plastic Water Bottle Fish, kids will have the opportunity to be activity, creative, playful, and to enjoy the company of peers and teachers for our last month of the 2018-2019 school year! As always, feel free to e-mail me (christieb@basecp.org) or call the office (617-969-3130) with any questions!

2-3 Comets

As we wrap up a wonderful year of fun and adventure, we will carry that excitement into June as we entertain the theme of "Happy Camper"! Colin, Nolan, and Imge have prepared a bunch of their own camp favorite games and activities to share with your children and get them excited about the summer! There will be fun games including Monopoly, Spoons (The card game), and other outdoor games. There will also be active sports including kickball, frisbee, basketball, and knock out! We will also have crafty activities which include paper plate sun visors and cupcake liner fireworks! Don't forget our Annual Summer Blast Off event on June 11!

For those in 3rd grade going into 4th grade next year, we will be having our annual Step Up Days to the Ozone on June 4th and June 5th!! Have a Happy Summer!

4-5 Ozone

As the school year comes to a close I start thinking about summer camp and when I think about summer camp I think about popsicles. Because your children are such big fans of popsicles, Helena will help them make their own healthy fruit pops. All of us will need to eat lots of popsicles because Monica has planned many popsicle stick crafts – popsicle sticks will be exploding, bending, and much more. The Ozone will have more than popsicles and their sticks in June. Highlights include learning different lawn games, having another Scratch day, and enjoy the traditional BASCP events: Step-Up Day, Summer Blast Off, and *Teachers vs. Kids, the Rematch of the Rematch*.

Andrew, Helena, Monica, and I enjoyed working with your children this year. Ozone students are a talented, enthusiastic, friendly group and we enjoy so many great moments throughout the year. I hope you have a great summer. Thank you.
