

AFTER SCHOOL TEACHERS WANTED

Part-time After-School Teacher (24 hrs/wk M-F or 16 hrs/wk) for the 2022-2023 School Year

Bowen After School Care Program, Newton

*Are you an experienced educator, a learning-agile artist, or a technology expert eager to work with school-age children in a highly regarded after-school program? **Bowen After School Care Program** seeks energetic, engaged, and compassionate individuals to join our teaching team. Our teachers are empowered with great training, access to continuing professional development, a vast library of technology resources to integrate into STEAM curriculum, competitive hourly wages and benefits, and a supportive and collaborative leadership structure which focuses on your continued growth.*

What does a Teacher do?

As a Teacher you play a formative role in the social educational development of the students. You will work with a specific age group who love the flexibility of how they choose to spend their afternoons and the quality of the care they receive. Each day, you will:

- Greet children arriving to the program, and prepare and serve nutritious snacks;
- Facilitate children's learning experiences and activities;
- Provide structure and support for homework and literacy; and
- Maintain collaborative and professional relationships with both students and parents, focusing on each child's social, emotional, physical, and cognitive development.

What kinds of experience and skills do Teachers need?

- Experience working closely with school-age children in a childcare, school, or camp setting
- Enthusiasm for teaching and the ability to keep children engaged in learning
- Willingness to learn and implement new classroom strategies to manage behaviors
- Strong verbal and written communication skills
- Ability to work in close partnership with members of your team
- Ability to pass CORI/SORI checks
- A statement of health from a physician
- Positive references from past employers/teachers
